

## COVID-19 Unmet Needs Grant Application

The Kent Community Foundation COVID-19 Unmet Needs Grant is designed to provide funding for capacity building. This can include website improvements, collaboration and building partnerships. Efforts funded by this grant must benefit the Kent community and/or immediately surrounding areas

These grants are meant to support efforts made toward stabilization and recovery by addressing the inequitable impacts of the pandemic. The Kent Community Foundation expects to distribute grant requests up to \$5000 each. The Kent Community Foundation is an advocate for equity and non-discrimination. Grants are awarded with the expectation that there will be no discrimination among people served.
